

# SURVEYOR'S HUNT

☀️ Embark on an exhilarating journey with "Surveyor's Hunt," a captivating event where participants employ reasoning and logic to uncover hidden hints, unlocking a trail that leads to the ultimate treasure. 🚀

**Theme:** "Navigate the terrain, decode the clues, and unearth the ultimate prize in Surveyor's Hunt – where surveying meets treasure discovery!"

**Participation limit:** Each team can have maximum 2 participants.

**Event Structure:**

**Treasure Hunt :**

- **Objective:** Locate the treasure utilizing hints to different points leading to the final point using your logical reasoning.
- **Rules:**
  - Teams would be assembled on the starting point where each team would be provided the starting clue.
  - Successive clues need to be found at different points by understanding the previous clue.
  - The clue will consist of riddles and conundrums citing a particular place within the IIT BHU campus.
  - The final clue will be the same point for all teams leading from the penultimate point.
  - The first team to find all points and the ultimate treasure will be declared winners.

- It is **mandatory to find all points** before **the ultimate treasure**, then only will the team be considered for being declared **winners**.
- A **time limit of 3 hours** will be provided for the event.

**Prizes:**

- **1st Position: Prizes Worth ₹4000**
- **2nd Position: Prizes Worth ₹2000**
- **3rd Position: Prizes Worth ₹1000**

**Registration Fees: ₹49 per participant**

 *Join us at Surveyor's Hunt, where precision meets adventure, and enigma lead to the thrill of discovering the ultimate treasure, as we celebrate the brilliance of Civil Engineering knowledge **at Shilp, the annual fest of the Civil Engineering Department, IIT (BHU).***
