

CAPTURE THE SNAP

☀️ *Unleash your inner storyteller and freeze those moments that scream life and laughter. "**Capture the snap**" isn't just a photo challenge; it's your ticket to making the everyday extraordinary. Let's turn streets into stories and structures into snapshots of human tales. So, grab that camera, hit the streets, and let's make magic happen!*

Theme: *"People Interaction with Infrastructures."*

Participation limit: Individual participation.

Event Structure:

Round 1: (Only 1 round)

- **Objective:** It's all about capturing those moments where the city and its peeps connect in unexpected and amazing ways. Traffic jams with a twist, ghat tales, bridges that tell stories, and the everyday scenes of folks hopping onto buses – your lens is the passport to this vibrant city symphony.
- **Rules:**
 - A specified area about a **radius of 10km** will be provided to participants. They are required to capture photos on given theme.
 - They will be given time from **morning 9 am to evening 5 pm**. They will have to submit their captured snaps in the given time window through a **Google form**.
 - Participants will have to explain what they have captured in **two or three lines in the same google form**, because (*"Life's moments are like a canvas, open to interpretation. It's not just about what you see, but the unique stories you create from each experience. Embrace*

the mystery and find beauty in your own understanding”)

- For the above point we will have **plagiarism and AI detection on submitted text**, we want to see your creativity, please refrain from using AI tools otherwise it may lead to penalty in points and hamper your chances of winning.

Prizes:

- **1st Position: Prizes Worth ₹4000**
- **2nd Position: Prizes Worth ₹2000**
- **3rd Position: Prizes Worth ₹1000**

Registration Fees: ₹49 per participant

 *Join Us in Capturing the Unseen, Embracing the Unnoticed, and Framing the Unforgettable. Come, Be a Part of **Capture the Snap** – Where Your Lens, Your Story, and Your Dreams Take Centre Stage **at Shilp, the annual fest of the Civil Engineering Department, IIT (BHU).***
