CODECRAFT

🌟 Dive into the intersection of civil engineering and cutting-edge coding at our thrilling competition! Are you ready to reshape the future of infrastructure using the power of programming? Here's your chance! 🚀

Theme: **Civil Engineering related Coding questions**

Event Structure:

Round 1: Coding Round:

- **Objective:** Participant will be **given 2 hours to solve 3 problems**.
- **RULES:**
- Each problem will have a specified point value(**100->200->300**).
- **Plagiarism or use of pre-existing solutions** will result in **disqualification**.
- Participants are free to choose their **preferred programming languages.**
- Programs will be tested by running them with a set of test inputs.

Prizes:

- *1st Position:* **₹4,000 + Goodies**

- *2nd Position:* **₹2,000 + Goodies**

- *3rd Position:* **₹1,000 + Goodies**

Registration Fees: ₹49 per participant

🏆 *Immerse yourself in a high-energy event where civil engineers and coding maestros unite! Let the battle of wits begin, as we celebrate the brilliance of Civil Engineering knowledge **at Shilp, the annual fest of the Civil Engineering Department, IIT (BHU).***
